This Information Memorandum

This Information Memorandum relates to a debt issuance Program established by the Issuer, under which it may issue Notes from time to time. It has been prepared by, and is issued with the authority of, the Issuer.

The Issuer accepts responsibility for the information contained in this Information Memorandum (other than the Program Participant Information).

Terms used in this Information Memorandum but not otherwise defined have the meanings given to them in the *Glossary* section and/or will otherwise be interpreted as provided in the Conditions.

Place of issuance

Subject to applicable laws and directives, the Issuer may issue Notes in any country including Australia and countries in Europe and Asia but (subject to the below) not in the United States. The Notes have not been, and will not be, registered under the U.S. Securities Act and, accordingly, the Notes may not be offered, sold, delivered or transferred, at any time, within the United States or to, or for the account or benefit of, U.S. persons, except in a transaction exempt from, or not subject to, the registration requirements of the U.S. Securities Act.

This Information Memorandum does not, and is not intended to, constitute an offer or invitation by or on behalf of the Issuer or any Program Participant to any person in any jurisdiction to subscribe for, purchase or otherwise deal in any Notes.

The distribution and use of this Information Memorandum, including any Issue Materials, and the offer or sale of Notes may be restricted by law in certain jurisdictions and intending purchasers and other investors should inform themselves about them and observe any such restrictions.

In particular:

- this Information Memorandum is not a prospectus or other disclosure document for the purposes of the Corporations Act. Neither this Information Memorandum nor any other disclosure document in relation to the Notes has been, or will be, lodged with ASIC; and
- no action has been taken by any of the Issuer or any Program Participant Party which would permit a public offering of any Notes or distribution of this Information Memorandum or any Issue Materials in any jurisdiction where action for that purpose is required (including circumstances that would require disclosure under Part 6D.2 or 7.9 of the Corporations Act).

For a description of certain restrictions on offers, sales and deliveries of the Notes, and on distribution of this Information Memorandum and any other Issue Materials, see section 3 (*Selling restrictions*).

No independent verification

The only role of each of the Program Participants in the preparation of this Information Memorandum has been to confirm to the Issuer that the Program Participant Information relating to itself is accurate as at the Preparation Date.

Apart from the foregoing, no Program Participant Party has independently verified any information contained in this Information Memorandum and each such person disclaims any responsibility for such information. No representation, warranty or undertaking, express or implied, is made, and no responsibility or liability is accepted, by any of them, in relation to the accuracy or completeness of this Information Memorandum, any Issue Materials or any further information supplied by the Issuer in connection with the Program or any Notes.

Each Program Participant expressly does not undertake to review the financial condition or affairs of the Issuer or any of its affiliates at any time or to advise any Noteholder or any other person of any information coming to their attention with respect to the Issuer and make no representations as to the ability of the Issuer to comply with its obligations under the Notes. No Program Participant makes any representation as to the performance of the Issuer, the maintenance of capital or any particular rate of return, nor does any Program Participant guarantee the payment of capital or any particular rate of capital or income return, in each case, on any Notes.

Investors to make independent investment decision and obtain professional advice

This Information Memorandum contains only summary information concerning the Notes. Neither the information contained in this Information Memorandum nor any other information supplied in connection with the Program or the issue of any Notes (1) is intended to provide the basis of any credit or other evaluation and should not be considered or relied on as a recommendation or a statement of opinion (or a report of either of those things) by the Issuer or any Program Participant Party that any recipient of this Information Memorandum or any other information supplied in connection with the Program or the issue of any Notes should subscribe for, purchase or otherwise deal in any Notes or any rights in respect of any Notes, or (2) describes the risks of an investment in any Notes.

Each investor contemplating subscribing for, purchasing or otherwise dealing in any Notes or any rights in respect of any Notes should:

- make and rely upon (and shall be taken to have made and relied upon) its own independent investigation of the financial condition and affairs of, and its own appraisal of the creditworthiness of, the Issuer and the risks of an investment in any Notes;
- determine for themselves the relevance of the information contained in this Information Memorandum (including all information incorporated by reference and forming part of this Information Memorandum) and any other information supplied in connection with the Program or the issue of any Notes, and must base their investment decision solely upon their independent assessment and such investigations as they consider necessary; and
- consult their own financial, legal, tax and professional advisers about risks associated with an investment in any Notes and the suitability of investing in the Notes in light of their particular circumstances.

In addition to the above, the following selling and distribution restrictions apply.

1 General

No action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Information Memorandum or any other offering material in any country or jurisdiction where action for that purpose is required.

Persons into whose hands this Information Memorandum comes are required by the Issuer, the Arranger and each Dealer to comply with all applicable laws and directives in each country or jurisdiction in which they purchase, offer, sell, resell, reoffer or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation, consent, approval or permission required by them for the purchase, offer, sale, reoffer, resale or delivery by them of any Notes under any applicable law or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, reoffers, resales or deliveries, in all cases at their own expense, and none of the Issuer, the Arranger or any Dealer has responsibility for such matters. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

In particular, there are restrictions on the offer or sale of Notes and on the distribution of this Information Memorandum in Australia, the United States, the United Kingdom, Hong Kong, Japan, Singapore and the European Economic Area as follow.

2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Program or any Notes has been, or will be, lodged with ASIC.

Each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that it:

- (a) has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, any Information Memorandum or any other offering material or advertisement relating to any Notes in Australia,

unless:

- (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternate currency, in either case, disregarding moneys lent by the offeror or its associates) or the offer or invitation does not otherwise require disclosure to investors under Part 6D.2 or 7.9 of the Corporations Act;
- (ii) the offer or invitation does not constitute an offer to a "retail client" as defined for the purposes of section 761G of the Corporations Act;
- (iii) such action complies with any applicable laws and directives in Australia; and
- (iv) such action does not require any document to be lodged with ASIC.

3 United States

The Notes have not been and will not be registered under the U.S. Securities Act.

Terms used in the following four paragraphs have the meanings given to them by Regulation S.

The Notes may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S or in transactions exempt from the registration requirements of the U.S. Securities Act.

Each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that it, its affiliates and any person acting on its or their behalf will not offer or sell the Notes constituting part of its allotment within the United States, or to, or for the account or benefit of, U.S. persons, or engage in "directed selling efforts" (as such term is defined in Regulation S):

- (a) as part of its distribution at any time; and
- (b) otherwise until 40 days after completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the lead manager,

except in an offshore transaction in accordance with Rule 903 of Regulation S.

Each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Notes from it during the distribution compliance period a confirmation or other notice substantially the following effect:

“The Notes covered hereby have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of such Dealer’s distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Tranche of Notes of which such Notes are a part, except in either case in accordance with Rule 903 of Regulation S under the Securities Act. Terms used above have the meanings given to them by Regulation S.”

Until 40 days after the completion of the distribution of all Notes of the Tranche of which those Notes are a part, an offer or sale of Notes within the United States by any Dealer acting in relation to that Tranche or other distributor (whether or not participating in the offering) may violate the registration requirements of the U.S. Securities Act if such offer or sale is made otherwise than in accordance with an applicable exemption from registration under the U.S. Securities Act.

7 Public offer selling restriction under the Prospectus Directive

In relation to each Relevant EEA State, each Dealer has represented and agreed, and each further Dealer appointed under the Program will be required to represent and agree, that with effect from and including the Relevant Implementation Date it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Information Memorandum as completed by the Pricing Supplement in relation thereto to the public in that Relevant EEA State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant EEA State:

- (a) at any time to any legal entity which is a "qualified investor" as defined in the Prospectus Directive;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining

the prior consent of the relevant Dealer or Dealer nominated by the Issuer for any such offer; or

- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer, the Arranger or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of Notes to the public" in relation to any Notes in any Relevant EEA State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Relevant EEA State by any measure implementing the Prospectus Directive in that Relevant EEA State.

8 Variation

These selling restrictions may be amended, varied, replaced or otherwise updated from time to time in accordance with the Dealer Agreement. Any change may be set out in a Pricing Supplement or in another supplement to this Information Memorandum.

9 Dealership arrangements

Under the Dealer Agreement and subject to the terms and conditions contained in the Information Memorandum, the Notes will be offered by the Issuer through a Dealer. The Issuer has the sole right to accept any offer to purchase Notes and may reject that offer in whole or (subject to the terms of the offer) in part. Each Dealer has the right to reject any offer to purchase Notes made to it in whole or (subject to the terms of such offer) in part. The Issuer is entitled under the Dealer Agreement to appoint one or more financial institutions as a Dealer for a particular Tranche of Notes or the Program generally. At the time of any appointment, each such financial institution will be required to represent and agree to the selling restrictions applicable at that time.

Each Dealer has agreed and each further Dealer appointed under the Program will be required to agree to comply with any applicable law or directive in any jurisdiction in which it subscribes for, offers, sells or transfers Notes and that it will not, directly or indirectly, subscribe for, offer, sell or transfer Notes or distribute any Information Memorandum or other offering material in relation to the Notes, in any jurisdiction, except in accordance with these selling restrictions, any additional restrictions which are set out in the Pricing Supplement or in another supplement to this Information Memorandum and any applicable law or directive of that jurisdiction.

4. Summary of certain taxation matters

Australian taxation

The following is a summary of certain Australian withholding tax matters, at the date of this Information Memorandum, in relation to the Notes to be issued by the Issuer under the Program and certain other matters. It is a general guide and should be treated with appropriate caution. Prospective holders of Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

Australian interest withholding tax

So long as the Issuer continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax.

Other Australian tax matters

Under Australian laws as presently in effect:

- *death duties* – no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- *stamp duty and other taxes* – no *ad valorem* stamp, issue, registration or similar taxes are payable in any Australian State or Territory on the issue or transfer of any Notes;
- *other withholding taxes on payments in respect of Notes* – so long as the Issuer continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Tax Act and section 12-140 of Schedule 1 to the Taxation Administration Act should not apply to the Issuer;
- *supply withholding tax* – payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed under section 12-190 of Schedule 1 to the Taxation Administration Act; and
- *GST* – neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a supply that is outside the scope of GST law. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia.

Certain U.S. federal income tax considerations

The following is a summary of certain U.S. federal income tax considerations of the ownership and disposition of the Notes by non-U.S. Noteholders. This summary is based upon provisions of the Internal Revenue Code, the U.S. Treasury regulations promulgated thereunder, administrative rulings and

judicial decisions, all as in effect as of the date of this Information Memorandum, any of which may subsequently be changed, possibly retroactively, or interpreted differently by the IRS, so as to result in U.S. federal income tax consequences different from those discussed below.

This summary does not address all aspects of U.S. federal income tax considerations that may be relevant to Noteholders in light of their personal circumstances or particular situations, such as (a) tax consequences to dealers in securities or currencies, banks and other financial institutions, regulated investment companies, real estate investment trusts, tax-exempt entities, insurance companies and traders in securities that elect to use a mark-to-market method of tax accounting for their securities (b) tax consequences to persons holding Notes as a part of a hedging, integrated, conversion or constructive sale transaction or a straddle (c) tax consequences to entities treated as partnerships or other pass-through entities for U.S. federal income tax purposes and investors therein (d) tax consequences to certain former citizens or residents of the United States (e) alternative minimum tax consequences, if any (f) any state, local or foreign tax consequences and (g) any federal non-income taxes, such as estate or gift taxes.

*Except where noted, this summary deals only with Notes held as a capital asset within the meaning of Section 1221 of the Internal Revenue Code by a beneficial owner who purchases the Notes for cash on original issuance at an issue price at which a substantial portion of the Notes are sold for cash to persons other than bond houses, brokers, or similar persons or organisations acting in the capacity of underwriters, placement agents or wholesalers. In addition, unless otherwise noted, this summary does not deal with Notes that are Zero Coupon Notes, Notes issued with “original issue discount” (within the meaning of the Internal Revenue Code), Notes that are subject to special rules under the Internal Revenue Code (such as, for example, certain “variable rate debt instruments” (within the meaning of the Internal Revenue Code) and “contingent payment debt instruments” (within the meaning of the Internal Revenue Code)), or Notes with a maturity date of shorter than one year, or longer than 30 years, from the date on which they are issued. **Any special U.S. federal income tax considerations relating to the ownership and disposition of a particular issue of Notes may be set forth in the applicable Pricing Supplement.***

If an entity that is treated as a partnership for U.S. federal income tax purposes is a beneficial owner of Notes, the U.S. federal tax treatment of a partner or member in that entity generally will depend upon the status of the partner or member and the activities of the entity. A beneficial owner of a Note that is an entity treated as a partnership for U.S. federal income tax purposes (and partners or members in such an entity should consult their tax advisers regarding the U.S. federal income and other tax consequences of the ownership and disposition of the Notes.

In this summary (a) “**non-U.S. Noteholder**” means a beneficial owner of Notes that is neither a U.S. Noteholder nor a partnership or other entity that is treated as a partnership for U.S. federal income tax purposes and (b) “**U.S. Noteholder**” means a beneficial owner of Notes that is, for U.S. federal income tax purposes (i) an individual citizen or resident of the United States (ii) a corporation created or organized in or under the laws of the United States, any state thereof or the District of Columbia (iii) an estate the income of which is subject to U.S. federal income taxation regardless of its source, or (iv) a trust, if it (A) is subject to the primary supervision of a court within the United States and one or more U.S. persons have the authority to control all substantial decisions of the trust or (B) has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person.

This discussion is for general purposes only. Potential investors in the Notes are urged to consult their tax advisors regarding the application of the U.S. federal income tax laws to their particular situations and the tax consequences under federal estate or gift tax laws, as well as foreign, state, and local laws and tax treaties, and the possible effects of changes in tax laws.

Additional amounts

The Issuer may be required, under certain circumstances, to pay additional amounts in respect of the Notes (as described in Condition 11 (“Taxation”). Although the issue is not free from doubt, the Issuer intends to take the position that the possibility that the Issuer will be required to pay such additional amounts does not result in the Notes being treated as contingent payment debt instruments under the applicable U.S. Treasury regulations. The Issuer’s position is binding on a holder, unless such holder explicitly discloses to the IRS on its tax return for the year during which it acquires the Notes that it is taking a different position. However, the Issuer’s position is not binding on the IRS. If the IRS takes a contrary position to that described above, the timing and character of a holder’s income and the timing of the Issuer’s deductions with respect to the Notes could be affected. Holders of Notes should consult their tax advisors regarding the tax consequences of the Notes being treated as contingent payment debt instruments. The remainder of this discussion assumes that the Notes will not be treated as contingent payment debt instruments for U.S. federal income tax purposes.

Interest income

Subject to the discussions below concerning backup withholding and FATCA, a non-U.S. Noteholder generally will not be subject to U.S. federal income or withholding tax on any payment of interest on a Note provided that:

- interest paid on the Note is not effectively connected with the non-U.S. Noteholder’s conduct of a trade or business in the United States (and, if an applicable income tax treaty applies, is attributable to a permanent establishment

maintained by the non-U.S. Noteholder in the United States);

- the non-U.S. Noteholder does not, directly or indirectly, actually or constructively own 10% or more of the total combined voting power of all classes of the Issuer’s stock that are entitled to vote within the meaning of section 871(h)(3) of the Internal Revenue Code;
- the non-U.S. Noteholder is not a controlled foreign corporation for U.S. federal income tax purposes that is related to the Issuer (actually or constructively) through stock ownership; and
- the non-U.S. Noteholder (1) provides its name and address, and certain other required information, and certifies, under penalties of perjury, that it is not a “U.S. person” (as defined in the Internal Revenue Code) (which certification may be made on the applicable IRS Form W-8) or (2) holds the Notes through certain foreign intermediaries or certain foreign partnerships, and it and the foreign intermediary or foreign partnership satisfy the certification requirements of applicable U.S. Treasury regulations.

If a non-U.S. Noteholder cannot satisfy the requirements described above, payments of interest will be subject to the 30% U.S. federal withholding tax, unless the non-U.S. Noteholder provides the applicable paying agent with a properly executed (1) IRS Form W-8BEN or IRS Form W-8BEN-E claiming an exemption from or reduction in withholding under the benefit of an applicable income tax treaty or (2) IRS Form W-8ECI (or an applicable successor form) stating that interest paid on the Notes is not subject to withholding tax because it is effectively connected with the non-U.S. Noteholder’s conduct of a trade or business in the United States. If a non-U.S. Noteholder is engaged in a trade or business in the United States and interest on the Notes is effectively connected with the conduct of that trade or business and, if required by an applicable income tax treaty, is attributable to a U.S. permanent establishment maintained by the non-U.S. Noteholder in the United States, then, although the non-U.S. Noteholder will be exempt from the 30% withholding tax provided the certification requirements discussed above are satisfied, the non-U.S. Noteholder will generally be subject to U.S. federal income tax on that interest on a net income basis in the same manner as if the non-U.S. Noteholder were a U.S. Noteholder. In addition, if a non-U.S. Noteholder is a foreign corporation, it may be subject to a branch profits tax equal to 30% (or lower rate under an applicable income tax treaty). Non-U.S. Noteholders engaged in trade or business in the United States of which interest on the Notes is effectively connected should consult their tax advisors regarding the U.S. federal income tax consequences to them of such interest income.

Sale, redemption or repurchase of the Notes

Subject to the discussions below concerning backup withholding and FATCA, gain recognized by a non-U.S. Noteholder on the sale, exchange, redemption,

repurchase or other taxable disposition of a Note (other than amounts attributable to accrued and unpaid interest, which will be treated as described above under “*Certain U.S. federal income tax considerations - Interest income*”) will not be subject to U.S. federal income tax unless:

- that gain is effectively connected with a non-U.S. Noteholder’s conduct of a trade or business in the United States (and, if required by an applicable income treaty, is attributable to a permanent establishment maintained by the non-U.S. Holder in the United States); or
- the non-U.S. Noteholder is an individual who is present in the United States for 183 days or more in the taxable year of that disposition and certain other conditions are met.

If a non-U.S. Noteholder is described in the first bullet point above, it will generally be subject to tax on the net gain derived from the sale, exchange, redemption, repurchase or other taxable disposition under regular graduated U.S. federal income tax rates and in the same manner as if the non-U.S. Noteholder were a U.S. Noteholder. In addition, if a non-U.S. Noteholder is a foreign corporation that falls under the first bullet point above, it may be subject to the branch profits tax equal to 30% (or lesser rate as may be specified under an applicable income tax treaty). Non-U.S. Noteholders engaged in trade or business in the United States of which the gain derived from the sale, exchange, redemption, repurchase or other taxable disposition of the Notes is effectively connected should consult their tax advisors regarding the U.S. federal income tax consequences to them of such gain.

If a non-U.S. Noteholder is an individual described in the second bullet point above, such Noteholder will be subject to a flat 30% tax on the gain derived from the sale, exchange, redemption, repurchase or other taxable disposition, which may be offset by U.S.-source capital losses, even though such non-U.S. Noteholder is not considered a resident of the United States.

Information reporting and backup withholding

Generally, the amount of interest paid to non-U.S. Noteholders and the amount of tax, if any, withheld with respect to those payments must be reported annually to the IRS and to non-U.S. Noteholders. Copies of the information returns reporting such interest and withholding may also be made available to the tax authorities in the country in which a non-U.S. Noteholder resides under the provisions of an applicable income tax treaty or agreement.

In general, a non-U.S. Noteholder will not be subject to backup withholding with respect to payments of interest that the Issuer makes on the Notes, provided the statement described above in the last bullet point under “*Certain U.S. federal income tax considerations – Interest income*” above has been provided and the applicable withholding agent does not have actual knowledge or reason to know that the Noteholder is a “U.S. person” (as defined under the Internal Revenue Code) that is not an exempt recipient. In addition, a

non-U.S. Noteholder will be subject to information reporting and, depending on the circumstances, backup withholding with respect to payments of the proceeds of the sale of a Note within the United States or conducted through certain U.S.-related financial intermediaries, unless the statement described above in the last bullet point under “*Certain U.S. federal income tax considerations – Interest income*” above has been provided, and the applicable withholding agent does not have actual knowledge or reason to know that a Noteholder is a U.S. person (as defined under the Internal Revenue Code) that is not an exempt recipient, or the non-U.S. Noteholder otherwise establishes an exemption.

Any amounts withheld under the backup withholding rules will be allowed as a refund or a credit against a non-U.S. Noteholder’s U.S. federal income tax liability provided the required information is furnished timely to the IRS.

FATCA

FATCA may impose a U.S. federal withholding tax of 30% on any interest paid on a Note and on the proceeds from the disposition of such debt obligations (if such disposition occurs after 31 December 2018) if such interest or proceeds are paid to a “foreign financial institution” or a “non-financial foreign entity” (each as defined in the Internal Revenue Code) (including, in some cases, when such foreign financial institution or non-financial foreign entity is acting as an intermediary), unless (i) in the case of a foreign financial institution, such foreign financial institution undertakes certain diligence and reporting (ii) in the case of a non-financial foreign entity, the non-financial foreign entity either certifies it does not have any “substantial U.S. owners” (as defined in the Internal Revenue Code) or furnishes identifying information regarding each substantial U.S. owner or (iii) the foreign financial institution or non-financial foreign entity otherwise qualifies for an exemption from these rules and provides appropriate documentation establishing such exemption. If the payee is a foreign financial institution and is subject to the diligence and reporting requirements in clause (i) above, then, pursuant to an agreement between it and the U.S. Treasury or an intergovernmental agreement between, generally, the jurisdiction in which it is resident and the U.S. Treasury, it must, among other things, identify accounts held by certain United States persons or United States-owned foreign entities, annually report certain information about such accounts and withhold 30% on payments to non-compliant foreign financial institutions and certain other account holders.

The U.S. federal income tax discussion set forth above is included for general information only and may not be applicable depending upon a Noteholder’s particular situation. Noteholders are urged to consult their own tax advisors with respect to the tax consequences to them of the ownership and disposition of the notes, including the tax consequences under state, local, estate, foreign and other tax laws and tax treaties and the possible effects of changes in U.S. or other tax laws.

1.6 Terms defined in Pricing Supplement

Terms which are defined in the Pricing Supplement as having a defined meaning have the same meaning when used in these Conditions but if the Pricing Supplement gives no meaning or specifies that the definition is “Not Applicable”, then that definition is not applicable to the Notes.

2 The Notes

2.1 Terms of issue

- (a) Notes are issued under the Program.
- (b) Notes are issued in Series. A Series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than, to the extent relevant, in respect of the Issue Price, Issue Date and the first payment of interest).

 - (i) a Fixed Rate Note;
 - (ii) a Floating Rate Note; or
 - (iii) a Zero Coupon Note,
 or a combination of the above (or any other type of debt obligation), as specified in the relevant Pricing Supplement.

2.2 Issue and transfer restrictions

Notes may only be offered (directly or indirectly) for issue or transfer, or applications invited for the issue or transfer of Notes, and may only be issued or transferred if:

- (a) where the offer or invitation is made in, or into, Australia:
 - (i) the aggregate consideration payable to the Issuer or the transferor by the relevant subscriber or person acquiring the Notes is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the Issuer or its associates) or the offer or invitation (including any resulting issue) or transfer does not otherwise require disclosure to investors under Part 6D.2 or 7.9 of the Corporations Act; and

2.3 Denomination

Notes are issued in the Denomination specified in the Pricing Supplement.

2.4 Currency

Subject to compliance with all applicable legal and regulatory requirements, Notes may be denominated in Australian dollars or such other currency or currencies specified in the Pricing Supplement.

2.5 Clearing Systems

If the Notes are held in a Clearing System, the rights of a person holding an interest in those Notes are subject to the rules and regulations of the Clearing System including any removal, uplift or withdrawal (however described) of the Notes from that Clearing System or other action (including a transfer of the Notes) required by the rules and regulations of the Clearing System. The Issuer is not responsible for anything the Clearing System does or omits to do.

3 Form

3.1 Constitution

- (a) Notes are debt obligations of the Issuer constituted by, and owing under, the Deed Poll and the details of which are recorded in, and evidenced by entry in, the Register.
- (b) Noteholders are entitled to the benefit of, are bound by, and are deemed to have notice of all the provisions of the Deed Poll.

3.2 Form

Notes are issued in registered uncertificated form by entry in the Register.

3.3 No certificates

No certificates in respect of any Notes will be issued to Noteholders unless the Issuer determines that certificates should be available or are required by any applicable law or directive.

4 Status and ranking

The Notes constitute unsubordinated and unsecured obligations of the Issuer and rank, and will rank, *pari passu* without any preference among themselves and at least *pari passu* with all other present or future unsecured and unsubordinated obligations of the Issuer, subject to mandatory provisions of law.

5 Title and transfer of Notes

5.1 Title

Title to a Note passes when details of the transfer are entered in the Register.

5.2 Effect of entries in Register

Each entry in the Register in respect of a Note constitutes:

- (a) an irrevocable undertaking by the Issuer to the Noteholder to:
 - (i) pay principal, any interest and any other amounts in accordance with these Conditions; and
 - (ii) otherwise to comply with the Conditions; and
- (b) an entitlement to the other benefits given to Noteholders under these Conditions in respect of the Note.

5.3 Ownership and non-recognition of interests

- (a) Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of such Note subject to correction for fraud or proven error.
- (b) No notice of any trust or other interest in, or claim to, any Note will be entered in a Register. Neither the Issuer nor the relevant Registrar need take notice of any trust or other interest in, or claim to, any

Note, except as ordered by a court of competent jurisdiction or required by any applicable law or directive. This Condition 5.3(b) applies whether or not a Note is overdue.

5.4 Joint holders

Where two or more persons are entered in the Register as the joint holders of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Note.

5.5 Transfer

- (a) Noteholders may only transfer Notes in accordance with these Conditions.
- (b) Notes may be transferred in whole but not in part.

5.6 Transfer procedures

- (a) Interests in Notes held in a Clearing System will be transferable only in accordance with the rules and regulations of that Clearing System. If a Note is lodged in the Austraclear System, neither the Issuer nor the relevant Registrar will recognise any such interest other than the interest of Austraclear as the Noteholder while that Note is lodged in the Austraclear System.
- (b) Application for the transfer of Notes not held in a Clearing System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Issuer or the Registrar (or such other person as may be specified in a Pricing Supplement) and:
 - (i) each transfer form must be:
 - (A) duly completed and stamped (if applicable);
 - (B) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
 - (C) signed by, or on behalf of, both the transferor and the transferee; and
 - (ii) transfers will be registered without charge provided all applicable Taxes have been paid.

5.7 Austraclear as Noteholder

If Austraclear is recorded in the Register as the Noteholder, each person in whose Security Record a Note is recorded is taken to acknowledge in favour of the Issuer, the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that Note is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Note, but only indicates that the Registrar considers that the holding of the Note is compatible with the performance by it of its obligations as Registrar under the Agency Agreement; and
- (b) the Noteholder does not rely on any fact, matter or circumstance contrary to paragraph (a).

5.8 Restrictions on transfers

Transfers of Notes which are not lodged in a Clearing System cannot be made between a Record Date and the relevant Interest Payment Date if a redemption of such Note is to occur during that period in accordance with these Conditions.

5.9 Effect of transfer

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under these Conditions in respect of the transferred Note and the transferee becomes so entitled in accordance with Condition 5.2 ("Effect of entries in Register").

5.10 CHESS

Notes which are listed on the Australian Securities Exchange operated by ASX Limited (ABN 98 008 624 691) will not be transferred through, or registered on, the Clearing House Electronic Subregister System operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and will not be "Approved Financial Products" for the purposes of that system.

5.11 Estates

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

5.12 Unincorporated associations

A transfer of a Note to an unincorporated association is not permitted.

5.13 Transfer of unidentified Notes

If a Noteholder transfers some but not all of the Notes it holds and the transfer form does not identify the specific Notes transferred, the relevant Registrar may choose which Notes registered in the name of Noteholder have been transferred. However, the aggregate principal amounts of the Notes registered as transferred must equal the aggregate principal amount of the Notes expressed to be transferred in the transfer form.

6 Fixed Rate Notes

This Condition 6 applies to the Notes only if the Pricing Supplement states that it applies.

6.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date based on the Interest Rate specified in the Pricing Supplement. Interest is payable in arrear on each Interest Payment Date.

6.2 Fixed Coupon Amount

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount specified in the Pricing Supplement.

6.3 Calculation of interest payable

The amount of interest payable in respect of a Fixed Rate Note for any period for which a Fixed Coupon Amount is not specified in the Pricing Supplement is calculated by multiplying the Interest Rate for that period, the outstanding principal amount of the Fixed Rate Note and the applicable Day Count Fraction.

7 Floating Rate Notes

This Condition 7 applies to the Notes only if the Pricing Supplement states that it applies.

7.1 Interest on Floating Rate Notes

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date based on the Interest Rate specified in the Pricing Supplement.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, on each date which falls the number of months or other period specified as the "Specified Period" in the Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

7.2 Interest Rate determination

The Interest Rate payable in respect of a Floating Rate Note must be determined by the Calculation Agent in accordance with these Conditions.

7.3 Fallback Interest Rate

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 7.2 ("Interest Rate determination"), the

Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate Notes during the immediately preceding Interest Period.

7.4 ISDA Determination

Where “ISDA Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period is the sum of the Margin and the ISDA Rate.

In this Condition:

- (a) “**ISDA Rate**” for an Interest Period, means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction if the Calculation Agent for the Floating Rate Notes were acting as Calculation Agent for that Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option, the Designated Maturity and the Reset Date are as specified in the Pricing Supplement; and
 - (ii) the Period End Dates are each Interest Payment Date, the Spread is the Margin and the Floating Rate Day Count Fraction is the Day Count Fraction; and
- (b) “**Swap Transaction**”, “**Floating Rate**”, “**Calculation Agent**” (except references to “Calculation Agent for the Floating Rate Notes”), “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**”, “**Period End Date**”, “**Spread**” and “**Floating Rate Day Count Fraction**” have the meanings given to those terms in the ISDA Definitions.

7.5 Screen Rate Determination

Where “Screen Rate Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period is the sum of the Margin and the Screen Rate.

In this Condition, “**Screen Rate**” means, for an Interest Period, the quotation offered for the Reference Rate appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date. However:

- (a) if there is more than one offered quotation displayed on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, the “**Screen Rate**” means the rate calculated by the Calculation Agent as the average of the offered quotations. If there are more than five offered quotations, the Calculation Agent must exclude the highest and lowest quotations (or in the case of equality, one of the highest and one of the lowest quotations) from its calculation;
- (b) if an offered quotation is not displayed by the Relevant Time on the Interest Determination Date or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, the “**Screen Rate**” means:
 - (i) the rate the Calculation Agent calculates as the average mean of the Reference Rates that each Reference Bank quoted to the leading banks in the Relevant Financial Centre specified in the Pricing Supplement at the Relevant Time on the Interest Determination Date; or
 - (ii) where the Calculation Agent is unable to calculate a rate under paragraph (i) because it is unable to obtain at least two quotes, the rate the Calculation Agent calculates as the average of the rates (being the nearest equivalent to the Reference Rate) quoted by two or more banks chosen by the Calculation Agent in the Relevant Financial Centre at approximately the Relevant Time on the Interest Determination Date for a period equivalent to the Interest Period to leading banks carrying on business in the Relevant Financial Centre in good faith; or
- (c) if the Pricing Supplement specifies an alternative method for the determination of the Screen Rate Determination, then that alternative method applies.

7.6 BBSW Rate Determination

Where “BBSW Rate Determination” is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the BBSW Rate.

In this Condition, **BBSW Rate** means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the “AVG MID” on the Reuters Screen

BBSW Page at approximately 10.10 am on the first day of that Interest Period. However, if such rate does not appear on the Reuters Screen BBSW Page by 10.30 am on that day, or if it does appear but the Calculation Agent determines that there is an obvious error in that rate, “**BBSW Rate**” means the rate determined by the Calculation Agent having regard to comparable indices then available. The rate calculated or determined by the Calculation Agent will be expressed as a percentage rate per annum and will be rounded up, if necessary, to the next higher one ten-thousandth of a percentage point (0.0001 per cent.).

7.7 Interpolation

If the Pricing Supplement states that “Linear Interpolation” applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two ISDA Rates, Screen Rates, BBSW Rates or other floating rates specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

8 General provisions applicable to interest

8.1 Maximum or Minimum Interest Rate

If the Pricing Supplement specifies a “Maximum Interest Rate” or “Minimum Interest Rate” for any Interest Period, the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified. If no rate is specified, the Minimum Interest Rate shall be zero.

8.2 Calculation of Interest Rate and interest payable

- (a) The Calculation Agent must, in relation to each Interest Period for each Floating Rate Note:
 - (i) calculate the Interest Rate in accordance with these Conditions and the Pricing Supplement; and
 - (ii) as soon as practicable after determining the Interest Rate, calculate the amount of interest payable for the Interest Period in respect of the outstanding principal amount of that Note.
- (b) Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the product of the Interest Rate for the Interest Period and the outstanding principal amount of the Note by the applicable Day Count Fraction.
- (c) The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

8.3 Calculation of other amounts

If the Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the amount in the manner specified in the Pricing Supplement.

8.4 Notification of Interest Rate, interest payable and other items

- (a) The Calculation Agent must notify the Issuer, the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded of:
 - (i) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the Interest Payment Date; and
 - (ii) any amendment to any amount, item or date referred to in paragraph (i) arising from any extension or reduction in any Interest Period or calculation period.
- (b) The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth day of the Interest Period.
- (c) The Calculation Agent may amend its determination of any amount, item or date (or make

appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Registrar, the Noteholders, each other Agent and each stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded after doing so.

8.5 Determination final

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of manifest or proven error, final and binding on the Issuer, the Registrar, each Noteholder and each other Agent.

8.6 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in these Conditions or in the Pricing Supplement):

- (a) all percentages resulting from those calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.);
- (b) all figures resulting from those calculations must be rounded to five decimal places (with 0.000005 being rounded up to 0.00001); and
- (c) all amounts that are due and payable must be rounded (with halves being rounded up) to:
 - (i) in the case of Australian dollars, one cent; and
 - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

9 Redemption and purchase

9.1 Redemption on maturity

Each Note is redeemable by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the Note has been previously redeemed;
- (b) the Note has been purchased and cancelled; or
- (c) the Pricing Supplement states that the Note has no fixed Maturity Date.

9.2 Early redemption for taxation reasons

The Issuer may redeem all (but not some) of the Notes of a Series in whole before their Maturity Date at the Redemption Amount and any interest accrued on it to (but excluding) the Redemption Date if, as a result of any change in or amendment to the laws or directives of the United States or of any political subdivision thereof or any authority or agency therein or thereof having power to tax, or in the interpretation, application, enforcement or administration of any such laws or directives, including a holding by a court of competent jurisdiction in the United States or any other action taken by any taxing authority or a court of competent jurisdiction in the United States, whether or not such action was taken or made with respect to the Issuer, which becomes effective on or after the Issue Date, there is a material probability that the Issuer is, or will be, required under Condition 11.2 ("Withholding tax") to increase the amount of a payment in respect of a Note. Unless the Issuer defaults in payment of the Redemption Amount (and any interest accrued on it to (but excluding) the Redemption Date), on and after the Redemption Date, interest will cease to accrue on the Notes called for redemption.

However, the Issuer may only do so if:

- (a) prior to the publication of any notice of redemption for taxation reasons, the Issuer shall deliver to the Registrar a certificate signed by two duly authorised officers of the Issuer stating that the Issuer is entitled to effect such redemption for taxation reasons and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and an opinion of counsel to that effect based on the statement of facts; and
- (b) the Issuer has given at least 15 days and no more than 60 days notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded.

9.3 Early redemption at the option of the Issuer (Issuer call)

If the Pricing Supplement states that the Issuer may redeem all or some of the Notes of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of the Notes specified in the Pricing Supplement at the Redemption Amount and, unless otherwise specified in the Pricing Supplement, any interest accrued on it to (but excluding) the Redemption Date.

However, the Issuer may only do so if:

- (a) the amount of Notes to be redeemed is, or is a multiple of, their Denomination;
- (b) the Issuer has given not less than 30 days (or such lesser period specified in the Pricing Supplement) notice to the Registrar, the Noteholders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed;
- (c) the proposed Redemption Date is an Early Redemption Date (Call) specified in the Pricing Supplement; and
- (d) any other relevant condition specified in the Pricing Supplement is satisfied.

9.4 Partial redemptions

If only some of the Notes are to be redeemed under Condition 9.3 (“Early redemption at the option of the Issuer (Issuer call)”), the Notes to be redeemed must be specified in the notice and selected:

- (a) in a fair and reasonable manner under the circumstances of the proposed redemption and having regard to prevailing market practice; and
- (b) in compliance with any applicable law, directive or requirement of any applicable Clearing System and stock or securities exchange or other relevant authority on which the Notes are listed.

9.5 Effect of notice of redemption

Any notice of redemption given by the Issuer or a Noteholder under this Condition 9 (“Redemption and purchase”) is irrevocable.

9.6 Late payment

If an amount is not paid under Condition 9 (“Redemption and purchase”) when due, then:

- (a) for a Note (other than a Zero Coupon Note), interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Noteholder; and
- (b) for a Zero Coupon Note, the obligation to pay the amount is replaced by an obligation to pay the Amortised Face Amount recalculated as at the date on which payment is made to the Noteholder.

9.7 Purchase

The Issuer and any of its related entities or affiliates may at any time purchase Notes in the open market or otherwise and at any price. Such Notes may be held, reissued, resold, or at the option of such purchaser, cancelled by notice to the Registrar. Purchases may be made by tender offers or in any other manner at the discretion of the purchasers, in each case, subject to compliance with any applicable law, directive or requirement of any stock or securities exchange or other relevant authority on which the Notes are listed.

10 Payments**10.1 Payment of principal**

Payments of principal in respect of a Note will be made to each person registered at 10.00 am on the payment date as the holder of that Note (or the first person to be registered in the case of joint holders).

10.2 Payment of interest

Payments of interest in respect of a Note will be made to each person registered at the close of business on the Record Date as the holder of that Note (or the first person to be registered in the case of joint holders).

10.3 Payments to accounts

Payments in respect of the Note will be made in Australia, unless prohibited by law, and:

- (a) if the Note is held in the Austraclear System, by crediting on the payment date, the amount due to:
 - (i) the account of Austraclear (as the Noteholder) in Australia previously notified to the Issuer and the Registrar; or
 - (ii) if requested by Austraclear, the accounts in Australia of the persons in whose Security Record a Note is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with Austraclear Regulations; and
- (b) if the Note is not held in the Austraclear System, by crediting on the payment date, the amount then due under each Note to an account in the relevant jurisdiction or financial centre for the currency in which the payment is made previously notified by the Noteholder to the Issuer and the Registrar.

If a payment in respect of the Note is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

10.4 Payments by cheque

If the Noteholder has not notified the Registrar of an account to which payments to it must be made by the close of business on the Record Date, payments in respect of the Note will be made in the relevant jurisdiction or financial centre for the currency in which the payment is made by cheque drawn on a bank in that jurisdiction or financial centre sent by prepaid post on, or on the Business Day immediately before, the payment date, at the risk of the registered Noteholder, to the Noteholder (or to the first named joint holder of the Note) at its address appearing in the Register at the close of business on the Record Date. Cheques sent to the nominated address of a Noteholder are taken to have been received by the Noteholder on the payment date and, no further amount is payable by the Issuer in respect of the Notes as a result of the Noteholder not receiving payment on the due date.

10.5 Payments subject to law

All payments are subject in all cases to:

- (a) any applicable fiscal or other laws and directives in any jurisdiction but without prejudice to the provisions of Condition 11 ("Taxation"); and
- (b) any withholding or deduction for any Taxes required to be withheld or deducted (without prejudice to the provisions of Condition 11 ("Taxation"), including any Taxes required to be withheld or deducted pursuant to FATCA, any regulations or other guidance thereunder, or any agreement (including any intergovernmental agreement) entered into in connection therewith; or any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA or an intergovernmental agreement in respect of FATCA.

10.6 Payments on Business Days

If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the applicable Business Day Convention. The Noteholder is not entitled to any additional payment in respect of such delay.

10.7 Currency of account

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Noteholder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

11 Taxation

11.1 No set-off, counterclaim or deductions

All payments of principal and interest in respect of the Notes by the Issuer will be made without withholding or deduction for or on account of any present or future Taxes unless such withholding or deduction is required by law.

11.2 Withholding tax

Subject to Condition 11.3 (“Withholding tax exemptions”), if a law requires the Issuer to withhold or deduct an amount for Taxes from a payment of principal or interest in respect of the Notes such that the Noteholder would not actually receive on the due date the full amount of principal or interest provided for under the Notes, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is for Taxes imposed by the United States or any political subdivision thereof or any taxing authority therein or thereof having power to tax, the Issuer will pay such additional amounts so that, after making such deduction (and any further deductions for any such Taxes applicable to additional amounts payable under the Conditions), each Noteholder that is not a U.S. Person (as defined below) is entitled to receive (at the time of payment is due) the amount it would have received if no such deductions or withholdings had been required to be made.

As used in this section 11.2 (“Withholding tax”), a “**U.S. Person**” means any individual who is a citizen or resident of the United States for U.S. federal income tax purposes, a corporation, partnership or other entity created or organized in or under the laws of the United States, any state of the United States or the District of Columbia, or any estate or trust the income of which is subject to United States federal income taxation regardless of its source.

11.3 Withholding tax exemptions

No Additional Amounts shall be payable under Condition 11.2(b) (“Withholding tax”) on any Note with respect to:

- (a) any Taxes that would not have been imposed, withheld or deducted but for the existence of any present or former connection (other than a connection arising solely from the ownership of those Notes or the receipt of payments in respect of those Notes) between the Noteholder (or the beneficial owner for whose benefit such holder holds such Note), or between a fiduciary, settlor, beneficiary of, member or shareholder or other equity owner of, or possessor of a power over, that holder or beneficial owner (if that holder or beneficial owner is an estate, trust, limited liability company, partnership, corporation or other entity), or between a person related to the holder or beneficial owner, and the United States, including, without limitation, that holder or beneficial owner, or that fiduciary, settlor, beneficiary, member, shareholder or other equity owner or possessor, being or having been a citizen or resident or treated as a resident of the United States or being or having been engaged in trade or business or present in the United States or having or having had a permanent establishment in the United States;
- (b) any estate, inheritance, gift, sales, transfer, capital gains, excise, personal property, wealth or similar Taxes;
- (c) any Taxes imposed on foreign personal holding company income or by reason of the holder’s or beneficial owner’s past or present status as a passive foreign investment company, a controlled foreign corporation, a foreign tax exempt organisation, a personal holding company or a foreign personal holding company with respect to the United States or as a corporation that accumulates earnings to avoid United States federal income tax;
- (d) any Taxes which are payable otherwise than by withholding or deducting from a payment on such Note;
- (e) any Taxes required to be withheld or deducted by any paying agent from any payment on such Note if that payment can be made without such withholding or deduction by any other paying agent;
- (f) any Taxes which would not have been imposed, withheld or deducted but for the failure of a beneficial owner or any holder of such Note or any other person to comply with any requirement or request to satisfy certification, identification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connections with Australia or the

United States of the beneficial owner or any holder of the Note that such beneficial owner or holder is legally able to deliver (including, but not limited to, the requirement to provide Internal Revenue Service Forms W-8BEN, W-8BEN-E, Forms W-8ECI, or any subsequent versions thereof or successor thereto, and including, without limitation, any documentation requirement under an applicable income tax treaty);

- (g) any Taxes imposed, withheld or deducted with respect to interest received by (i) a 10% shareholder (as defined in section 871(h)(3)(B) of the Internal Revenue Code, and the regulations that may be promulgated thereunder) of the Issuer, (ii) a controlled foreign corporation that is related to us within the meaning of section 864(d)(4) of the Code, or (iii) a bank receiving interest described in section 881(c)(3)(A) of the Code, to the extent such Taxes would not have been imposed but for the beneficial owner's status as described in sub-paragraphs (i) through (iii) of this paragraph (g);
- (h) any withholding or deduction that is required to be made pursuant to any law implementing or complying with, or introduced in order to conform to, any European Union directive on the taxation of savings;
- (i) any Taxes, assessment or other governmental charge imposed, withheld or deducted under FATCA, any current or future regulations or other guidance thereunder or any official interpretations thereof, or any agreement (including any intergovernmental agreement) entered into in connection therewith; or any law, regulation or other official guidance, rules or practices enacted or adopted in any jurisdiction implementing FATCA or an intergovernmental agreement in respect of FATCA;
- (j) any Taxes which would not have been imposed, withheld or deducted but for the presentation by the holder or beneficial owner of such Note for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment of the Note is duly provided for, whichever occurs later;
- (k) Taxes which are imposed, withheld or deducted with respect to, or payable by, a holder that is not the beneficial owner of such Note, or a portion of such Note, or that is a fiduciary, partnership, limited liability company or other similar entity, but only to the extent that a beneficial owner, a beneficiary or settlor with respect to such fiduciary or member of such partnership, limited liability company or similar entity would not have been entitled to the payment of an Additional Amount had such beneficial owner, settlor, beneficiary or member received directly its beneficial or distributive share of the payment;
- (l) any Taxes that would not have been imposed, withheld or deducted but for a change in any law, treaty, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the applicable payment becomes due or is duly provided for, whichever occurs later; or
- (m) any combination of the above.

Except as specifically provided under section 11.2 ("Withholding tax"), the Issuer will not be required to make any payment with respect to any Tax imposed by any government or any political subdivision or taxing authority.

12 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within ten years (in the case of principal) or five years (in the case of interest and other amounts) from the date on which payment first became due.

13 Events of Default
